Get Back to Business Planning Fundamentals

Berry, Tim *Entrepreneur.com* 10/24/2008

In tough economic times it is important to get back to business basics. As you adjust your business plan to accommodate the current economic climate, remember to carefully evaluate business fundamentals and to focus on the people that are part of your team.

5 Employee Motivation Myths Debunked

Javitch, David *Entrepreneur.com*. 06/19/2009

"Business owners need to ensure that their employees are productive and eager to do the best job possible—this is especially true during today's challenging economic times. Yet every industry and every organization has people who simply do not produce work in the quality that they are capable of providing; [creating] costly problems for a manager." Money is not as effective as you think, and ignoring conflicts may impede productivity and motivation.

Unleashing Performance - Yours, Your Team's, and Your Organization's

Establishing a business is a tough job filled with numerous challenges. Entrepreneurs have to run the company's daily operations while motivating employees, keeping investors happy and satisfying customers. You can truly unleash your venture's optimum performance only when you clearly understand your own vision and then are able to effectively communicate it to and inspire team members, partners, investors and other stakeholders—both current and future—to buy into your mission. In this presentation you will learn how to do just that.
